What Vincent Wants |✓

(STERLING SERIES # 1) Daphne Demings can finally tick off "Have sex with a random stranger" on her bucket list. No one else knows about it except for her childhood best friend. After hooking up with some guy at her cousin's yacht wedding reception up in Saint Tropez, Daphne promises herself that her wild days are over. She regrets losing her v-card to a total stranger, so she repels every guy that comes near her. Five years later, she bumps into the very same person she hooked up with back...

Marcelle is

Marcelle is attractive. Marcelle is a football player. Marcelle is cliché. Marcelle is a wolf in sheep clothing. Marcelle is a Christmas fanatic. Marcelle is just downright annoying. Matthew Griffin is a certified theatre geek/video game nerd. And he despises [emphasis on despise] Christmas. All he has to do is get this jock to remember his lines, even though he forgot his heart.
